With its three versions: Blanco, Reposado and Añejo, Tequila RH ÚNICO is a product which has been internationally awarded, available at the best European stores, as El Corte Inglés. In its production process, this spirited beverage is cared and molded by great tequila masters; hence its quality and outstanding flavor, risk free.

RH Único Blanco 100% Blue Agave

At first glance, it shows great brilliancy, body and cleanness, with silver strays; to the smell, mature agave, squash, citrics such as lemon and orange, as well as a hint of walnuts. To the taste, mature agave, citrics and herbs stand out, with clear notes of agave leaves and certain acidity.

RH Único Reposado 100% Blue Agave

At first glance, it has a straw-like color and medium intensity, crystal-clear with a light crown; to the smell, mature agave, toasted almonds, vanilla and walnut notes stand out, as well as citrics such as guava, pineapple and orange. To the taste, mature agave, strong oak, semi-sour chocolate, cinnamon, walnut and maple syrup.

RH Único Añejo 100 Blue Agave

At first glance, it shows a crystal-clear and brilliant amber tint; to the smell, strong oak, vanilla, chocolate, cinnamon and pepper stand out, as well as orange and nutmeg. To the taste, spices and woods stand out, as well as a taste of plums and honey.

Tequila RH Único is an unprecedented product, which amazes, is very likable and definitely catches you with its flavor and total quality. For unique circumstances and moments.
